

Bucks & Pucks Program

The Norfolk Admirals Hockey Team is proud to continue our successful fundraising program, Bucks & Pucks, which gives 20% of the total amount raised directly back to the participating organization. Bucks & Pucks was started in 2006 and has already helped more than 40 area schools, churches and other organizations to raise vital funds for their needs.

The Bucks & Pucks program gives organizations the opportunity to bring their members out for a night of hockey. Tickets are offered to your organization at the discounted rate of \$10, with the flexibility of bringing as few or as many people to the game as desired. From each ticket, \$2 will go directly back to your organization at the end of the season.

The Norfolk Admirals will provide all materials needed for this program, including letters, registration forms and tickets. All that is required of the organization is to select a date for the hockey game and then collect all money for the tickets prior to this date.

Please fax the attached Bucks & Pucks application form to (757) 622-0552 if you are interested in the program. We think you will find this program to be enjoyable and worthwhile. Please feel free to contact Admirals Director of Group Sales Charlie Colón with any questions or concerns at (757) 640 – 1212 ext. 23. You may also email Charlie at charlie@norfolkadmirals.com.

Thank you, and best wishes for organization's success!

Regards,

Charlie Colón
